FROM THE PRESIDENT

Dear ican Families and Friends,

The Planning Committee of the ican Conference invites you to the 2015 International Children’s Anophthalmia Network conference in Philadelphia, located in the heart of this world class city. As you read through this registration packet, know that the Planning Committee is working hard on your behalf to make this an informative and rewarding conference. You will hear excellent speakers and attend workshops in which participants share experiences and learn not only from the experts leading the sessions, but also from one another. If you are unable to participate, but would like to help out in other ways, or if you know of anyone who may be willing to donate to this worthy cause, please email us at ican@anophthalmia.org. We will email or mail all necessary forms to you.

You will also see some detail at the end of this packet regarding open positions within ican. We are actively searching for additional volunteers to help reach new families, fundraise for our next conference, and work on new and exciting initiatives. I ask you to take some time to review these opportunities and consider taking on a role within the team. It is with your support that we can continue to grow the scope and reach of our wonderful organization. Please feel free to reach out to me if you have any questions. Thank you again, and I look forward to seeing everyone in late July.

Ryan McGrady
President, ican
